

1 · 2 · 3 Let's Empower Children's Self Esteem

Take the Challenge... Do a Good "Act Of..." and BOOMERANG IT!

**Do it today!
See who else
you can inspire!**

Make your own Boomerang

- Cut out
- Fold over
- Glue together
- Go *Boomerang It!*
- Add "your tracking number" and see who you inspire!

**YOU HAVE THE POWER TO
"HAND DELIVER" a simple
"Act Of..." doing something good: A
simple thing, A surprising thing. Whatever.**

Nothing builds self-esteem better than giving your time and effort to help others, also known as *paying it forward*. The point is just that you make time in your schedule each day, each week, each month, to flex that caring-muscle with your children and others. **It will build your children's self-esteem—yours as well!** *In the end, every single good-act comes back to you, and the good of children—tenfold!*

It's Easy as 1, 2, 3!

1. Do a "Good Act Of..."
(Truth, Kindness, Harmony, Forgiveness, Giving, Love, Determination, Compassion, Strength, Character)
2. Hand "this" Boomerang to the person you did something good for. Give them the power to do something good for the next person... Keep it going...
3. Tell us "your" story and record "your tracking number" (create your unique number) on The JNP website—<http://thejnproject.com/support-jnp-movement/>
You will be inspiring others to bring awareness to self-esteem in all children!
