## Reminder: JNP Needs Your Help for "The Story Begins" AMAZON REVIEWS!

Hello, Friends of JNP,

We are delighted that you are a part of the growing JNP community. Thank you!

Right now, during the month of March, much of the JNP creative teams' time and energy is focused on getting the JNP brand and books known, liked, and trusted. To do that, we are eager for people who care about parenting, families, children's education (especially in character and values), and children's self-esteem development to learn about us. *Getting our Prequel book reviewed—especially on Amazon.com—is especially important.*

**We would love your help. Here are two simple ways you can do this.**

If you have ever made a purchase of any item on Amazon.com, you are eligible to *write a review of the JNP Prequel book, [Jane & Jake's Adventures to Awesome: The Journey Begins](#)*. You do not have to purchase this book on Amazon to review it on Amazon. Again, one past purchase of *anything* on Amazon entitles you to write and submit a review of the JNP prequel.

A second way you can help us "create buzz" around our brand and books is by reading other posted reviews of the JNP Prequel and clicking "yes" next to any that you found helpful. (You can do this with or without leaving a review of the Prequel.)

Timing is so important for JNP to become known as soon as possible. Your submission of a Prequel review (and/or clicking "helpful") on Amazon *during the remaining weeks of March* will help tremendously.

Any questions? Please let us know.

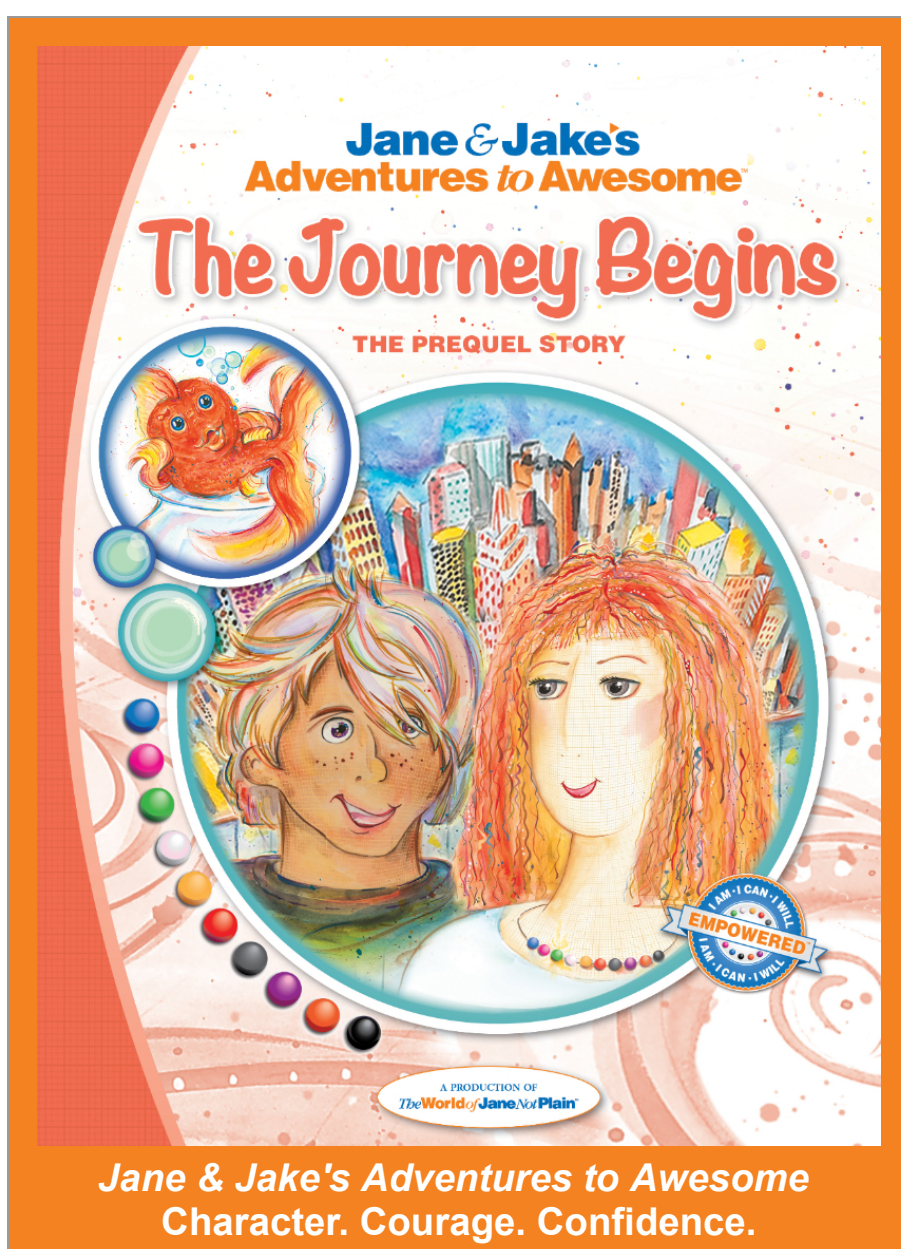

Many thanks!!!  
The Teams of JNP
